Description

MASIA by COS – Premium Private Office Spaces

Sustainability and connectivity

A new perspective on office life

MASIA by COS is more than just a workplace – it is a concept that blends modern architecture, ergonomic design, and a complete ecosystem of amenities. Here, the office becomes a place where productivity meets comfort, and collaboration is nurtured by an environment designed to inspire.

Closed Office R16 – privacy, comfort, and prestige

One of the most attractive spaces available is Closed Office R16, a private office ideally suited for teams of 7–8 people. With abundant natural light and the added advantage of a private balcony, this space creates a bright, relaxed, yet highly professional atmosphere. It combines the exclusivity of a dedicated office with direct access to all the shared facilities of the complex.

Facilities that enhance the experience

Every detail at MASIA is carefully curated to elevate the everyday work experience:

- 24/7 access for maximum flexibility and freedom
- Modern meeting rooms, available with monthly credits and free access during evenings and weekends
- Ergonomic Steelcase furniture and height-adjustable desks for maximum comfort and well-being
- Reliable and secure internet connection, with dual providers for uninterrupted service
- Dedicated phone booths for private calls and confidential discussions
- Professional reception services to welcome visitors and support tenants
- Fully equipped cafeteria, with water, coffee, and tea included
- Lounge areas designed for networking, collaboration, or relaxation
- Cleaning, utilities, and maintenance included, ensuring a flawless workspace
- Advanced security and controlled access system for complete peace of mind

Mobility and sustainability

The office benefits from dedicated parking spaces, with the possibility of adding more if required. In addition, charging stations for electric vehicles are available, reinforcing the building's commitment to sustainability and modern mobility.

The perfect choice for visionary teams

MASIA by COS is the ideal destination for companies seeking more than just an office – it is a space where their teams can thrive, connect, and innovate. Closed Office R16 strikes the perfect balance between privacy and belonging to a vibrant business community, making it the right choice for ambitious and forward-thinking organizations.
